

WALDWERK

WALD? = FOREST? Like the one outside our door.
Which has so much more to offer than we can see.
WERK? = FACTORY? Like crafting, tinkering and inventing creative
creative dishes out of passion.

Because for us, cooking means creating an experience for you.
An engagement with the product itself, the origin and the producer.
And we know most of them personally by name.

The focus of our forest cuisine:
seasonal food from our homeland,
prepared in simplicity and yet with such
sophisticated flavour on your plate.
